

Albert & Vicky

Dear Birthmother,

We would like to thank you for considering us as loving parents for your child, with the same strength and courage that gave you the decision to place your child for adoption we will have to be the best parents. My wife and I met in high school when we were only

16 years old and immediately fell in love with each other. After four years we decided to join our lives together so we could start our own family. We now have been married for 25 years. We tried so hard to have our first baby, and we exceeded all medical procedures to become parents without any success. The only alternative we have is to adopt to become parents. In our marriage having a baby will fulfill our lives. If you consider us to have the opportunity we will love, care and protect your baby with all our hearts. We have truly been blessed for all this years in many ways and believe that God has a purpose for us, the challenges and struggles will soon be recognized. We are very excited for our new baby's

arrival, we thank you so much for the opportunity, God Bless you!

We enjoy so much spending time with our Nieces and Nephews, all of them are very special and we absolutely adore them. We can't wait to have our first baby so we can express the same love to him or her. Without a doubt, children will make us much better people. We have been ready for a long time to be parents.

We enjoy taking them on vacation in Colorado so they can enjoy nature at it's best. They have so much fun as well as we do. We have been around them since they were babies and we learned to love them like they were our own children.

The baptism of my niece was a remarkable experience.

We love our Nieces and Nephews with all our hearts.

Jenny was the first member of the family, she makes us laugh so hard and she is hilarious.

Lulu is the new member of the family, she is adorable.

My mother is so special and I love her so much, she loves spending time with her grandsons, she spoils everyone with her amazing cooking and charisma.

My Wife is the most beautiful and wonderful person in the entire world, she is so intelligent and never gives up, I'm so bless to have her in my life and I love her so much.

Our wedding was so remarkable and memorable.

After twenty five years of being married she gets more beautiful every day that goes by, God put her in my way for a very special reason, I won't ever change her for nothing or anything at all.

Our home in Northwest New Mexico.

We enjoy cooking outside and spending time with the family, our dogs love running all over the house, our neighbors are nice and we love this place.
