

DEAR BIRTHMOTHER

Thank you so much for choosing LIFE.

We are humbled by your courage and strength in taking this difficult step to choose adoption for your baby. Wherever your journey leads you, we hope that you find comfort in knowing that you have chosen a life where your baby will be regarded as the biggest blessing and is cherished every day.

We have truly been in so many ways and we hope we will soon be blessed with a child to love and cherish as our own. If you choose us for your child, we promise to always strive to provide a loving, stable home with lots of family and friends to surround this blessing with love.

It is important to know that you are valued and respected. You are nurturing and caring for a dear child of God, and making the courageous decision to let us adopt.

Thank you for considering us as parents for the baby growing inside of you.

Sincerely,

Javier and Amaia
